NEIL GOGTE INSTITUTE OF TECHNOLOGY (NGIT)

Venue and Equipment Planning Checklist (Sample)

SYNTHETIC SAMPLE FOR SOFTWARE TESTING ONLY — NOT AN OFFICIAL NEIL GOGTE INSTITUTE OF TECHNOLOGY (NGIT) POLICY. Do not treat any steps, deadlines, roles, limits, or requirements in this file as real college rules. Replace with verified official documents before using the assistant for real event planning.

Sample document ID: SAMPLE-EVT-004
Version: SAMPLE 0.1
Issuing authority: None (synthetic test content)

1. Details to collect

- Preferred venue and alternative venue
- Expected number of attendees
- Event date, setup time, event time, and cleanup time
- Seating, accessibility, power, internet, projector, microphone, and audio needs
- Whether external guests or vendors are expected

2. Example planning checks

- Confirm venue capacity from an authoritative source before selecting the venue.
- Confirm availability and booking steps with the actual responsible office.
- Check equipment availability and setup responsibility.
- Record any restrictions, conditions, and cancellation steps only when supported by official documentation.

3. Unknowns must remain unknown

- This sample contains no actual room names, capacity figures, booking deadlines, fees, or permissions.
- Do not infer that a venue is available or that equipment can be used without confirmation.

End of synthetic sample document.
